

10 POINT PLAN FOR A MOVEMENT OF MOVEMENTS

- 1 Recognize majority did not vote for Donald Trump -- most want justice, equality of opportunity, sustainability.
- 2 Seek rough agreement for new national vision reflecting shared values.
- 3 Ground vision with new economy institutions, co-ops.
- 4 Urge mainstream institutions to protect people targeted by politicians.
- 5 Play offense, not defense. Do nonviolent direct action campaigns. Make specific demands of decision-makers.
- 6 Escalate campaigns instead of doing one-off protests.
- 7 Meet opponents' confrontation with nonviolent assertiveness.
- 8 Link issue-based campaigns to build a movement.
- 9 Use polarization as opportunity, as in the 1930s and '60s.
- 10 Link movements, creating movement of movements to shift power and implement shared vision.
